Hundreds of hackers set sights on Iowa City

by Dana Warren | Sunday, October 7th 2018

MGN Online

IOWA CITY, Iowa — Hackers from all over the Midwest were in Iowa City Oct. 6th -7th, for the 3rd annual U Iowa Hackathon.

The Hackathon lets students show off their computer programming skills in a contest setting.

Teams of four worked together to come up with the best computer applications or creations.

The students hacking teams worked with professional computer programmers and mentors during the entire competition.
